City of Fond du Lac - Weekly Construction Update

The City of Fond du Lac is providing a weekly update on construction projects located within the corporate boundary. Motorists are advised to use caution and remain alert when driving through any work zone. Drivers are also encouraged to visit the City of Fond du Lac web site at <http://www.fdl.wi.gov> and view a map of the 2012 construction projects which may aid drivers in planning an alternate route.

Ninth Street from Military Road to Fond du Lac River

Schedule: April 9, 2012 to early August 2012

Description: The project includes reconstruction of the sanitary sewer, water main, storm sewer, street, and lighting.

April 9 to April 13: Crew for Alliant Energy is finishing gas main relay and service connections. The concrete pavement has been mechanically broken and the excavation subcontractor is working to remove the concrete. The utility contractor will begin water main installation Thursday at the bridge and work toward the west.

Traffic Impacts: Ninth Street is closed to through traffic. Morris Street at Ninth Street is closed to all traffic. Northbound or southbound traffic will not be permitted in or out of the project at the Morris Street and Ninth Street intersection. It is illegal to drive past a "ROAD CLOSED" sign or to move any construction barricades. Residents, business owners, and customers may access properties past "ROAD CLOSED – LOCAL TRAFFIC ONLY" signs. Parking is not permitted on the street during working hours.

Morris Street from Ninth Street to Central Avenue

Schedule: April 9, 2012 to early August 2012

Description: The project includes reconstruction of the water main, storm sewer and street.

April 9 to April 13: No work this week.

Traffic Impacts: Morris Street at Ninth Street is closed to all traffic. Northbound or southbound traffic will not be permitted onto Ninth Street at the Morris Street intersection. It is illegal to drive past a "ROAD CLOSED" sign or to move any construction barricades. Residents, business owners and customers may access properties past "ROAD CLOSED – LOCAL TRAFFIC ONLY" signs. Parking is not permitted on the street during working hours.

Ellis Street from Ninth Street to Boyd Street

Schedule: Early May 2012 to early October 2012

Description: The project includes reconstruction of the sanitary sewer, water main, storm sewer, street, and lighting. The street will be widened to the 32-foot City standard.

April 9 to April 13: No work this week.

Traffic Impacts: Ellis Street remains open to traffic.

Liberty Street from Ninth Street to Eleventh Street

Schedule: Early June 2012 to early October 2012

Description: The project includes reconstruction of the sanitary sewer, water main, storm sewer, street, and lighting.

April 9 to April 13: No work this week.

Traffic Impacts: Ninth Street at Liberty Street is closed to through traffic. Liberty Street remains open to traffic. Residents should access Liberty Street from Eleventh Street.

Eleventh Street from Ann Street to Cedar Street

Schedule: Early June 2012 to early October 2012

Description: The project includes reconstruction of the sanitary sewer, water main, storm sewer, street, and lighting.

April 9 to April 13: No work this week.

Traffic Impacts: Eleventh Street remains open to traffic.
